

Hey everyone!

Raja Wilco does it once again! First and foremost, thank you everyone for all your undivided support - because everyone showed their support for Raja Wilco's track, "Raja That (Apni To)" produced by Kami K, reached the #3 spot on the Asian BBC Radio Countdown. "Raja That (Apni To)" also attained radio play on Panjabi Hit Squad's on 1Xtra, GenerAsian Radio, NiteLife Radio and Galaxy Manchester's Global Asian Sounds.

Now, you've all heard "Raja That," so check out the prequel track titled, "This Way, That Way," also produced by Kami K, featuring the exceptional vocals of Raja Wilco and Nikhil. "This Way, That Way," is also being played on Desi Hits Radio and Galaxy Manchester to name a few.

Be on the look out as [Raja Wilco](#) and the rest of [PGZ](#) bring you even hotter tracks this year, and a lot of other surprises! We're working overtime this spring in the studio to bring you quality tracks and profound hits! Raja That...!

Thanks for the support!

Best,  
Ms. Tirusha Dave
